

Schedule for 4th year 7th semester - academic year 2017/2018, spring semester

	Monday			Tuesday			Wednesday			Thursday			Friday									
Seminars	A	B		A	B		A	B		A	B		A	B								
Lab	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3							
7.45-8.00																						
8.00-8.15																						
8.15-8.30				Physiology II seminar room 204/205			Microbiology & virusology I + II seminar							Embryology seminar room 303								
8.30-8.45																						
8.45-9.00	Physiology II lab	Pharmacology lab					Microbiology & virusology I + II labs															
9.00-9.15																						
9.15-9.30																						
9.30-9.45																						
9.45-10.00				Pharmacology lecture																		
10.00-10.15																						
10.15-10.30																						
10.30-10.45																						
10.45-11.00										Clinical Analysis lecture + seminar + labs *classes take place in Nephrology Department in the hospital at Francuska Street, Katowice course starts March 8, 2018												
11.00-11.15																						
11.15-11.30	Physiology II lecture room A3 first lecture March 5, 2018						Pharmacology seminar									Embryology seminar room 303						
11.30-11.45																						
11.45-12.00										Pathomorphology seminar												
12.00-12.15																						
12.15-12.30																						
12.30-12.45																						
12.45-13.00																						
13.00-13.15	Pharmacology lab			Pathomorphology lab						Clinical Analysis lecture + seminar + labs *classes take place in Nephrology Department in the hospital at Francuska Street, Katowice course starts March 8, 2018												
13.15-13.30																						
13.30-13.45																						
13.45-14.00																						
14.00-14.15																						
14.15-14.30																						
14.30-14.45																						
14.45-15.00																						
15.00-15.15																						
15.15-15.30																						
15.30-15.45				Microbiology & virusology I + II lecture every two weeks starts February 27, 2018																		
15.45-16.00																						
16.00-16.15																						
16.15-16.30		Physiology II lab																				
16.30-16.45																						
16.45-17.00																						
17.00-17.15																						
17.15-17.30																						
17.30-17.45																						
17.45-18.00																						
18.00-18.15																						
18.15-18.30																						
18.30-18.45																						
18.45-19.00																						
19.00-19.15																						
19.15-19.30																						

Physiology II labs and seminars start March 12, 2018
