

Schedule for 3rd year 5th semester - academic year 2017/2018 spring semester

	Monday		Tuesday		Wednesday		Thursday		Friday		
Seminar	A		A		A		A		A		
Laboratory	1	2	1	2	1	2	1	2	1	2	
7.45-8.00											
8.00-8.15											
8.15-8.30											
8.30-8.45				Gross Anatomy I lab							
8.45-9.00											
9.00-9.15											
9.15-9.30											
9.30-9.45											
9.45-10.00	Histology I lecture room 6						Environmental Health seminars + labs lectures				
10.00-10.15			Biochemistry with elements of chemistry V seminar room 6 first seminar March 6, 2018								
10.15-10.30	Biochemistry with elements of chemistry V lab starts March 5, 2018				Biochemistry with elements of chemistry V lecture room 104					Intro to Surgery lab	
10.30-10.45											
10.45-11.00											
11.00-11.15											
11.15-11.30											
11.30-11.45											
11.45-12.00											
12.00-12.15											
12.15-12.30											
12.30-12.45											
12.45-13.00											
13.00-13.15	Introduction to Surgery lecture + seminar room 6										
13.15-13.30											
13.30-13.45											
13.45-14.00											
14.00-14.15											
14.15-14.30											
14.30-14.45											
14.45-15.00											
15.00-15.15											
15.15-15.30											
15.30-15.45				Gross Anatomy I lab							
15.45-16.00											
16.00-16.15											
16.15-16.30											
16.30-16.45											
16.45-17.00											
17.00-17.15											
17.15-17.30											
17.30-17.45											
17.45-18.00				Gross Anatomy I lecture							
18.00-18.15											
18.15-18.30											
18.30-18.45											
18.45-19.00											
19.00-19.15											
19.15-19.30											
19.30-20:00											

Environmental Health course starts March 1, 2018
 EBM schedule will be added in March 2018

Intro to Surgery labs: Children hospital, Medyków 16
