

MEDICAL UNIVERSITY OF SILESIA

UNIVERSITY REFUND POLICY

The University Refund policy calls for a pro rata refund when a student withdraws before completion of the payment period/semester. Refunds of payments for tuition and certain fees are granted for the period of instruction not taken due to a leave of absence, resignation for health reason, or other valid and documented reason as provided in the University Regulations.

In accordance with these policies, reimbursement of unused tuition and certain fees shall be proportional to the instruction that the student did not receive as a result of the approved interruption.

Withdrawal: Students have the right to withdraw from their studies during the enrollment (payment) period. The date of withdrawal is the date the student submitted a written notice of withdrawal to the Head of the Dean's office of the English Division or the last date of attendance whichever occurs first.

Good Standing: Students maintain good standing by complying with all academic rules and regulations and remaining current in all financial obligations. The University reserves the right to withhold services, transcripts and certifications from students who are not in good standing.
