

Schedule for 3rd year 6th semester - academic year 2018/2019 winter semester

	Monday		Tuesday		Wednesday		Thursday		Friday				
Seminar	A		A		A		A		A				
Laboratory	1	2	1	2	1	2	1	2	1	2			
7.45-8.00													
8.00-8.15													
8.15-8.30			Physiology I seminar room 104 starts October 9, 2018		Immunology seminar + lab		Gross Anatomy II lab			Physiology I lab			
8.30-8.45													
8.45-9.00													
9.00-9.15													
9.15-9.30													
9.30-9.45	Introduction to Surgery lecture + seminar room 6												
9.45-10.00													
10.00-10.15													
10.15-10.30													
10.30-10.45													
10.45-11.00					Genetics II December 5,12,19 January 9,16,23,30		Gross Anatomy II labs		Introduction to Surgery lab*				
11.00-11.15			Histology II seminar starts 2nd week of October										
11.15-11.30	Histology II lecture room 104												
11.30-11.45								Genetics II January 10,17,24,31, 2019					Introduction to Surgery lab*
11.45-12.00													
12.00-12.15					Histology II lab starts 2nd week of October								
12.15-12.30													
12.30-12.45													
12.45-13.00													
13.00-13.15	Physiology I lecture room 104 starts October 8, 2018					Immunology lecture starts October 10th every two weeks room 303							
13.15-13.30													
13.30-13.45													
13.45-14.00													
14.00-14.15													
14.15-14.30													
14.30-14.45	Physiology I lab							Genetics II January 10,17,24,31, 2019					
14.45-15.00													
15.00-15.15													
15.15-15.30													
15.30-15.45				Gross Anatomy II labs									
15.45-16.00													
16.00-16.15													
16.15-16.30													
16.30-16.45													
16.45-17.00													
17.00-17.15	Polish II room 207												
17.15-17.30													
17.30-17.45													
17.45-18.00													
18.00-18.15													
18.15-18.30			Gross Anatomy II lectures										
18.30-18.45													
18.45-19.00													
19.00-19.15													
19.15-19.30													
19.30-19.45													
19.45-20.00													
20.00-20.15													

*INTRO TO SURGERY II labs - Children's hospital 16 Medyków Street
Introduction to Surgery course starts October 8th
