

Course description

General information about the course		
1. Major of study: medicine	2. Study level: unified MSc	
	3. Form of study: intramural	
4. Year: II	5. Semester: III, IV	
6. Course name: Polish III + IV		
7. Course status: required		
8. Course contents and assigned learning outcomes		
<p>More vocabulary, phrases and language used in day-to-day communication: likes and dislikes, weather, free time activities, clothes, past experiences.</p> <p>Introduction to medical vocabulary, phrases and expressions used in basic doctor-patient communication: body parts and organs, symptoms and signs, medication, doctor's advice, diseases, clinical specialties.</p> <p>Developing communicative skills applied in basic doctor-patient communication: taking history, giving advice, informing about the diagnosis and treatment.</p> <p>Learning outcomes / reference to learning outcomes indicated in the standards For knowledge – student knows and understands: D K.5, D K.6. For skills student can do: D S.5, D S.6, D S.9 For social competencies student is ready to: establish contact with the patient</p>		
9. Number of hours for the course		60
10. Number of ECTS points for the course		1
11. Methods of verification and evaluation of learning outcomes		
Learning outcomes	Methods of verification	Methods of evaluation*
Knowledge	Matching questions and answers Multiple choice questions Gap filling True/False questions Categorising	*
Skills	Written testing: matching, gap filling. Oral testing: reading aloud, role-playing, simulation, responding to language, using the linguistic skills in structured situations.	*
Competencies	Role –playing, simulation.	*

* The following evaluation system has been assumed:

Very good (5,0) – the assumed learning outcomes have been achieved and significantly exceed the required level

Better than good (4,5) – the assumed learning outcomes have been achieved and slightly exceed the required level

Good (4,0) – the assumed learning outcomes have been achieved at the required level

Better than satisfactory (3,5) – the assumed learning outcomes have been achieved at the average required level

Satisfactory (3,0) – the assumed learning outcomes have been achieved at the minimum required level

Unsatisfactory (2,0) – the assumed learning outcomes have not been achieved
