

Schedule for 3rd year 5th semester - academic year 2020/2021 summer semester (International program)

Seminar	Monday			Tuesday			Wednesday			Thursday			Friday				
	A	B		A	B		A	B		A	B		A	B			
Labs	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3		
7.45-8.00																	
8.00-8.15																	
8.15-8.30																	
8.30-8.45	Introduction to surgery I /lect+sem/																
8.45-9.00				Intro to surg I /lab/													
9.00-9.15																	
9.15-9.30																	
9.30-9.45																	
9.45-10.00																	
10.00-10.15																	
10.15-10.30				Biochemistry with elements of chemistry V /lecture/ commencing Feb 23rd, 2021													
10.30-10.45																	
10.45-11.00																	
11.00-11.15																	
11.15-11.30																	
11.30-11.45																	
11.45-12.00	Biochemistry with elements of chemistry V /lab/ commencing March 1st, 2021	Biochemistry with elements of chemistry V /lab/ commencing March 1st, 2021	Biochemistry with elements of chemistry V /lab/ commencing March 1st, 2021														
12.00-12.15																	
12.15-12.30																	
12.30-12.45																	
12.45-13.00																	
13.00-13.15																	
13.15-13.30																	
13.30-13.45																	
13.45-14.00																	
14.00-14.15																	
14.15-14.30	Histology I /lecture/																
14.30-14.45																	
14.45-15.00																	
15.00-15.15																	
15.15-15.30																	
15.30-15.45																	
15.45-16.00																	
16.00-16.15																	
16.15-16.30																	
16.30-16.45																	
16.45-17.00																	
17.00-17.15																	
17.15-17.30																	
17.30-17.45																	
17.45-18.00																	
18.00-18.15																	
18.15-18.30																	
18.30-18.45																	
18.45-19.00																	
19:00-19:15																	
19:15-19:30																	
19:30-20:00																	

Intro to Surgery labs: Children hospital, Medyków 16
